

EVANSTON DANCE ACADEMY
COVID-19 POLICIES AND PROCEDURES:
Please read, initial, and sign the following....

_____ I understand that social distancing is a big factor in keeping our dancers safe. EDA has marked out the floor to keep dancers understanding visually this importance.

_____ I understand that my dancer will need to bring their own water bottle to class and no food will be permitted in the studio this year. I understand my dancer can eat a snack in the car or outside if needed. Please bring very limited things to dance.

_____ I understand that instructors will have masks on them at all times and will wear them when they are within 6 feet of any dancer.

_____ I understand that my dancer will need to wear a mask as they enter and leave the facility. I understand that my dancer is not required to wear the mask while dancing; however, you can let us know if you want them to wear it.

_____ I understand as the adult or any adult that comes into the lobby to pick up or drop off my child, I will need to be wearing a mask at all times and practice social distancing.

_____ I understand my dancer's temperature will be taken and will need to be under 100 degrees to participate in dance class. Each child will be given hand sanitizer or need to wash hands before participating.

_____ I understand that classes have been shortened and not as many required to help keep class sizes smaller and track illness if it were to occur.

_____ I understand that if COVID-19 positive cases occur within the studio, there are possibilities of classes canceled or studio closed. I understand that Evanston Dance Academy is doing everything they can to avoid this conflict, but safety of our dancers and staff is the most priority.
